FACIALS

Anesi Aqua Vital Hydro Detox 900

A luxurious pampering facial treatment. This treatment with multi-weighted Hyaluronic Acid is especially formulated for skins which need extra water hydration. Especially good for skins that are rough, dull and devitalized to deeply hydrate and plump the skin. Ideal for all skin types.

Anesi Aqua Vital Hydro Nutrition 900

A glorious pampering facial, specially formulated with nutritional active ingredients to relieve very dry skin. Eliminates the sensation of tightness and renders a 24 hour hydration increasing elasticity and radiance, by combining nutrients and multi-weighted hyaluronic acid, prolonging its action throughout the day. This professional treatment is a real experience of freshness, purity, luminosity and deep moisturizing for all skin types.

Anesi Thermal Mask Treatment 600

The Thermal Mask treatment is infused with resin, oils, hyaluronic acid and mica, to noticeably improve vitality, suppleness and hydration. The mask activates the microcirculation to improve skin nutrition and aid in penetration of active ingredients. It traps moisture in the skin and prevent water loss to immediately banish dryness and dehydration. An improvement in skin softness and suppleness will be visible immediately.

+ Vitaskin + R 200

Ultrasound technology providing skin cleansing, deep tissue regeneration, anti-aging, lifting & toning.

FACIALS

Anesi Cleansing Facial 850

This unique skin treatment targets skin needing in depth cleansing. It purifies, refines pores and leaves the skin rejuvenated and refreshed.

Anesi Dermo Control Facial 995

This professional treatment is the perfect solution for extreme cases of oil secretion and proliferation of impurities. An exclusive treatment formulated to balance oil secretions and purify the complexion. The result: is a clear, matt, imperfection-free complexion.

Anesi Harmony Microbiotic Facial 995

A treatment ideal for sensitive, red and reactive skin as it brings tranquillity to the skin. It gently cleanses and renews the complexion. Proven skin soothing and strengthening actives recover a healthy balanced complexion. The facial will improve hydration, suppleness and radiance. Skin will feel soothed and inflammation reduced. Strengthens the skin's natural defence.

3C Vitamin Glow Treatment 1650

Formulated with triple strength Vitamin C for maximum efficacy, a skin refining and brightening AHA Peel and an oxygenating Bubble Mask for fast skin recovery and a glowing complexion. Restores a healthy vibrant complexion. The treatment will improve dull skin. The facial improves skin texture and uneven skin tone, while it prevents and repairs sun damage. The treatment is excellent to protect against premature skin ageing caused by free radical damage. The perfect treatment to brighten and energise the skin after seasonal changes. Great for special occasions when glowing skin is a must!

Anesi Urban Defense 1250

URBAN BLUEDEFENSE is a range specifically formulated to moisturize, restore and triply protect the skin against all kinds of photo and environmental pollution. Specifically, a new form called HEV (High Energy Visible) light emitted by computers, tablets, smartphones which today are proven as damaging to the skin and is now a common form of skin radiation. URBAN BLUEDEFENSE performs as a skin pollution repellent while deeply moisturizing and reducing oxidative stress in the skin.

FACIALS

Anesi Cellular 3 1450

Ultimate anti-ageing treatment. Treats ALL the symptoms of ageing skin: wrinkles, lack of tone, blemishes, uneven texture, dullness and sensitivity. It works by stimulating cells by means of carefully selected biotechnological active ingredients to treat the 3 main scientifically proven causes of skin aging, plus a cell booster with epidermal growth factors. The 3 main causes are Oxidative stress, glycation and DNA Damage.

Anesi Epigenesse 1875

Epigenesse is an advanced treatment for ageing skin which targets 'gene expression' that has been weakened by age and external aggressors. It rejuvenates, repairs, and replenishes skin, improving firmness, hydration and reducing wrinkles to bring new life and energy to ageing skin. Skin repairing and tightening actives immediately improve skin texture and minimise pores for a flawless glowing complexion with long lasting results.

Anesi Luminosity 1875

Non-painful moderate chemical peel treatment that continues to act following 8 hours after its application, thanks to its time controlled enzymatic release. The treatment treats and prevents pigmentation, age spots and liver spots on both dermal and epidermal levels.

Anesi: 3 in 1 2900- 3500

The ultimate skin rejuvenation treatment. In one session you will receive the Dermo Peel Mechanical Peeling treatment followed by microneedling and either a Hydrating, Brightening or Anti-Ageing facial.

FACIALS

Anesi Skin Peel Treatments

ANESI LAB Dermo Peel Professional Treatments are a trusted choice for any skin specialist due to the outstanding result. The high-performance exclusive formulas deliver exceptional skin peeling treatments.

There are three different strengths to choose from:

Anesi Dermo Peel Expert Strength #1 1350

The original exfoliating and skin renewing formula, suitable for all skin types. It is a medium skin peeling with phytoplankton and pineapple stem for all skin types. Soothing and repairing botanical respect the skin barrier, promoting healthy skin recovery. The plant-based peel contains no acids in the formulation, and has a microdermabrasion effect.

Anesi Dermo Peel Corrector Strength #2 1450

A deep skin peeling with phytoplankton, botanical and hydrogen peroxide for acne-prone skin. The powerful combination clears the skin of impurities and renews while salicylic acid prevents breakouts and promotes rapid skin tissue repair. This plant-based peel does not contain any acids in the formulation and has a microdermabrasion effect with the disinfecting hydrogen peroxide.

Anesi Dermo Peel Renewal Strength #3 1500

Deep skin peeling with phytoplankton, alpha and beta hydroxy acids to target ageing skin, deep wrinkles, sun damage and hyperpigmentation concerns. The actives are specifically formulated to resurface the skin, refining texture, and revealing new cells for a radiant, younger complexion.

FACIALS

IS Clinical Fire & Ice Facial 850

A clinically active system designed to rapidly and safely resurface the skin, reducing fine lines & wrinkles whilst smoothing, softening and encouraging cellular renewal.

*+ Extended Protocol: 1600
Includes steam, extractions and a massage.*

IS Fire & Ice Foaming Enzyme 1350

An effervescent treatment that features active foaming agents for light and effective exfoliation on all skin types leaving the skin clear and glowing for days.

*+ Extended Protocol: 1600
Includes steam, extractions and a massage.*

Flash Brightening Peel 850

Transform your skin with a treatment that reveals radiant, lumnous skin instantly.

*+ Extended Protocol: 1450
Includes steam, extractions and a massage.*

Power Pumpkin Resurfacer 950

A gentle treatment that resurfaces, retextures and brightens the skin. Targets active breakouts and inflammatory hyperpigmentation.

Power Peptide Resurfacer 1200

The ultimate anti-ageing resurfacer treatment, combining glycolic and lactic acids for impressive cellular turnover and UV protection. This skin smoothing treatment ensures a reduction in fine lines and wrinkle depth.

Mango Brite Resurfacer 950

Infused with mango pulp enzymes, vitamin C and orange plant stem cells - this gentle resurfacer brightens skin, reduces dark circles, hydrates skin, lifts and depigments skin.

Youthlab Glow Medi Facial 680

A deep cleanse using a combination of Alpha & Beta Hydroxy Acids. Suitable for a variety of skin types, this highly customisable treatment improves the appearance of several skin concerns including fine lines, texture, pore congestion and acne. Tighten, tone and treat your skin with a wealth of natural brightening ingredients all chosen to energize the skin renewed vitality.

Express Facial (30-40 min) 750

Cleanse, exfoliate, steam & masque. No extractions or massage.

ADVANCED SKIN TREATMENTS

Skin Pen Needling Treatment 2500

An advanced form of microneedling treating a number of skin problems: visible lines & wrinkles, uneven skin texture, pore size, acne scarring, pigmentation & stretch marks. Includes Skin Pen mask

Dermaplaning (Skin Blading) 600

A mechanical exfoliation/peel that removes dead skin and vellous hair (peach fuzz). This provides smoother skin for deeper product penetration.

If combined with a facial, peel, dermapen or needling. 490

PRX. Plus 1750

A topical and painless skin booster designed to promote an immediate tightening and brightening effect. No injections needed.

SKIN PEELS

UnicBright Peel 1350

Anti-ageing and anti-dark spots treatment.

UnicMandelic Peel 1350

Treats blemishes, seborrheic skins and rosacea.

*+ Extended Protocol:
